Audience participation

The audience is expected to participate in the discussion by asking questions and providing opinions orally or via Slido.

Clinic Diabetes is an interactive Course to be conducted by Key Opinion Leaders (KOLs) in the respective fields.

It will be based on discussion of relevant clinical cases to define best options in the management of diabetes, associated diseases and complications.

The Course is divided into Sessions. Each session shall start with short presentation to highlight specific features and significance of a condition followed by presentation of 1-2 relevant cases for discussion by a Panel of KOLs in the specific field(s) of interest.

Eight Sessions are Planned:

- Session #1 : Management of T2DM
- Session #2 : Obesity and Metabolic Syndrome
- Session #3 : Depression and Diabetes
- Session #4 : Diabetes and the Heart
- Session #5 : T1DM and Associated Problems
- Session #6 : Diabetes in Pregnancy
- Session #7 : Diabetes and the Kidney
- Session #8 : Diabetes in Special Populations

Case Discussions
