Free Paper presentation is open to all aspects (both clinical and basic science) of research relating to diabetes, its complications and co-morbidities.
Free Paper Presentation is open only for in-person (physical) registration.

ELIGIBILITY FOR FREE PAPER PRESENTATION (ORAL/POSTER) AWARDS

The aim of providing awards for free paper presentation (oral/poster) is to encourage especially young investigators to take up research and publish their findings. For the person to be eligible for presentation awards, the main presenter (researcher) must be actively involved in the research on the presentation. **Those researchers who do not wish to be considered for oral/poster presentation awards however may still participate with written declaration.**

Please fill in your preferred presentation and DECLARATION FORM on the next page
